Excellence through partnership

Welcome from The Executive Headteacher

Dear Applicant

I am delighted to introduce you to Staploe Education Trust. We pride ourselves on schools which are great places to work. We support professional and personal development, providing and creating opportunities for our colleagues to progress, whatever their aspiration. We have high expectations of ourselves and of one another, and the culture of our Trust is one of professional collaboration across and between schools. We are successful because we work together.

Staploe Education Trust is a relatively small Trust with four very different schools. We serve our community through every phase of a child's school journey. Together, our schools provide a high-quality pre-school, primary and secondary learning environment for children, with a strong ethos of achievement, rich curriculum experiences and inspiring opportunities. We work together to tackle the barriers children face in their learning and development, so that every child will aim high, remain safe and thrive. Based at the heart of our community, we contribute to the creation of excellence in education through partnership.

Our schools are great places to work. We offer a supportive environment in which teachers can benefit from creative, research-led professional development, whatever their career stage. I hope that you will have a good look at what we do and that The Weatheralls Primary School might be the right place for your next move.

Yours faithfully

Dr Carin Taylor
Executive Headteacher

School Information

The Weatheralls Primary School

Creating an inspiring learning community

The Weatheralls Primary School is at the heart of the community. We are a large rural primary school, with a PAN of 90 per year group. Our purpose built school includes classrooms situated over two floors, two halls, a library, a sensory room, on-site catering and staff rooms. Our spacious grounds include playgrounds, a playing field, forest school area, pond and quiet outdoor learning spaces.

We hold high expectations of the pupils in our school, striving for them all to achieve and grow as learners. Our pupils will make progress confidently, from their own starting points, as they are taken on a learning journey by highly trained staff who understand the cognitive science of learning and have a therapeutic approach to managing behaviour. We believe that positive experiences inspire children to dream and hold high aspirations of themselves, which embed through our curriculum offer.

Our staff are committed to ensuring that the pupils of The Weatheralls Primary School possess the values that enable them to live well in society and prepare them to deal effectively with the challenges of the modern world. We value pride, perseverance and positivity. These values are embedded in all that we do.

Visitors note our calm environment, how polite our pupils are and comment positively on the welcoming space.
